## Leads Welcome. Satisfaction Guaranteed.

These days, your credibility with your customers is everything. When you refer your customers to an accounts receivable financing company, you want assurance that those customers will be taken care of in a timely, professional, and efficient manner. Yes, their primary concern is working capital, but we deliver that financing in the most painless and streamlined way possible.

We will work with your customers to help them achieve profitability and growth, and ease cash flow concerns. We will provide the highest levels of personal service, because we believe that is the best way to earn yours and your customer's repeat business.

And, because we place a high value on our partnership and the leads you provide to us, we commit to you a dedicated representative, expedited processing, and a generous commission schedule that can pay well into the future.

## The Bay View Funding Advantage for Brokers

### Experience:

One of the top (and most enduring) companies in the industry, with a long and successful track record of working with brokers.

### Compensation:

We pay commissions for the life of the account-our high levels of customer satisfaction can yield recurring revenue for you.

### Speed:

We will return financing decisions options to you promptly so that you can compare and make recommendations quickly to your clients.
